Taken together, these ballot measures set a comprehensive approach to confront the staggering evictions crisis (**Prop 10**), create game-changing solutions for homelessness (**Prop C**), and create the first new state funding in a decade for affordable homes (**Prop 1**) and for supportive housing with mental health services (**Prop 2**).

YES Prop 1: \$4 Billion across the state to build affordable housing for people with low and moderate incomes, including families, seniors and veterans.

YES Prop 2: Authorizes \$2 Billion of Mental Health Services funds to build housing with treatment and supportive services for Californians at risk of losing their homes.

YES Prop 10: Restores the right of communities to protect all families at risk of displacement by removing California's "Costa Hawkins" prohibitions on rent control.

YES Prop C: \$300 Million/year to build 4,000 new affordable homes, to acquire and rehab existing homes, and to provide mental health services for individuals and families who are homeless or at risk of homelessness.
